You are looking for an accommodation during the InnoX 2019 Futures Conference? We are glad to suggest you the two following hotels.

September is still a quite touristic season in Berlin and its surroundings. All over the year there are heaps of conferences and other events going on. Due to the high volume of travel, we advise you to book as soon as possible.

Since we are cooperating with Seehotel Zeuthen you benefit from discounted room rates. It is a \*\*\*\*star-hotel in Zeuthen, which is located 2 KM from the venue. The Shuttle Service must be booked in advance by yourself.

The number of rooms at the conference hotel – Seehotel Zeuthen – is limited. If you are planning on staying there, make use of the special conference offer by using the code “THW19”. You must call or email directly on your own to make the reservation.
